Mrs. Sabina Zuba

# Notre Dame College School Uniform Policy

The *Notre Dame Uniform Policy* is stated to assist students to meet the expectations, and to inform parents based on the general guidelines of the NCDSB Policy. A general policy cannot detail all possible situations. **Notre Dame's Administration** will interpret the application of the general policy to any particular situation and their decision is final.

*Above are two students properly wearing the Notre Dame Dress Uniform, which is not to be worn as casual attire.*

## General Principles

- Students will cooperate with the **school's** uniform policy at all times.
- Students will be in uniform all day, everyday, from arrival to departure excluding designated days as determined by the Principal of the school.
- The only shirts, sweaters, and pants or kilts that students will wear are the official school uniform items supplied for the specific school.
- Students will present a neat appearance.
- Students will wear uniform items properly.
- Students will keep uniform items clean and in good repair.
- Students will wear clothing that is sized appropriately: neither too large nor immodestly tight.
- Students will not attend regular classes out of uniform. Loaner uniform items are available in the attendance office, if necessary.

## Specific Uniform Items

- Students are to be in **FULL UNIFORM** as of 8:00 a.m., on the first day of classes and are to be in uniform daily from 8:00 a.m. – 2:05 p.m. **including** non-class time (eg. lunch, spares).

- **All uniform items, with the exception of shoes, must be purchased through ND Outfitters.**

**Sweater/Blazer:** Only uniform sweaters/ quarter zips/vests/blazers embroidered with the school logo are to be worn. The uniform sweater is not to be worn around the waist or shoulders. A uniform shirt must be worn with the sweater/blazer.

**Graduation Hoodie:** Must be purchased from ND Outfitters for the corresponding graduating year/class and worn only by graduates. No hoodies from prior years can be worn by graduates. 12B students may wear their grad hoodies from their Gr. 12 year. Hoodies are not to be worn with the hood up over their head in the school.

**Shirt:** Uniform shirt, either polo or white oxford, with embroidered school logo, purchased from ND Outfitters. New shirts do not have to be tucked in as long as it is size appropriate. Shirts must be buttoned to the second button for males and the top button for females from the collar and the collar must be buttoned on both sides (oxford). Long-sleeved shirts are not to be worn beneath short-sleeved shirts. A white-only undershirt may be worn underneath the uniform shirt.

**Pants:** Pants must be in good repair, buttoned at the waist and properly hemmed to the heel of the shoe just above the ground. School pants that have been improperly altered (i.e. tapered) may not be worn until the problem has been corrected. Pants are not to be rolled up or tucked into socks.

**Kilt/Skort:** The kilt/skort must be properly hemmed and cannot be worn more than 8 cm from the middle of the kneecap. Uniform tights, or knee-high socks, must be worn with the school kilt/skort. The knee socks must be worn at the knee level. Girls who have rolled, outgrown, cut or altered the kilt/skort in any way will be requested to wear school pants until the problem has been corrected. Repeated kilt/skort violations will result in kilt/skort privileges being removed.

**Shoes:** Only low cut, solid black shoes are deemed acceptable. Laces must be solid black and plain. **Solid black means no stripes, company logos, or multi-colours.** The shoes must have a full back and closed toe. Sandals, flip-flops, clogs, slippers/moccasins (no fur trim) and slip on shoes are deemed unacceptable. Uniform shoes must be worn at all times in the building, including lunchtime. Steel-toed boots are not allowed. Boots are not to be worn in the school. Students who wear winter boots to school must deposit them in their locker when they arrive at school and change into the appropriate uniform shoe.

**Socks:** Must be worn at all times. Uniform knee socks/tights (blue or

white) must be worn with the kilt at all times. The knee socks must be worn at the knee level. Solid blue/white/navy socks may be worn with the shorts. No multi-coloured or logo socks are allowed.

**Shorts:** Shorts must be worn so that the ND Logo is visible. Shorts that have been improperly altered (i.e. tapered) may not be worn until the problem has been corrected. Solid blue/white/navy socks may be worn with the shorts. No multi-coloured or logo socks are allowed.

### **Requests for Out of Uniform Slips**

Students are to report to the office, prior to the beginning of the day, to receive an out of uniform slip. Requests for non-uniform items must be accompanied by a note from a doctor. In the case where the request is in lieu of dress shoes, the alternative shoe must be solid black.

### **Enforcement**

Students who do not comply with the uniform policies of Notre Dame may be subject to disciplinary actions including detentions, parental contact and after multiple infractions, suspensions for persistent opposition to authority. Students will not attend regular classes out of uniform. Loaner uniform items are available in the attendance office, if necessary.

### **ND Outfitters Uniform Information**

All uniform inquiries should be directed to the ND Outfitters Uniform and Spirit Wear Shop at 905-788-9100.

## **Other Policies**

### **Backpacks/Knapsacks**

Upon arrival to school, students will place their backpack/knapsack into their locker where it will remain until they leave school for the day. **Students are not to carry a backpack/knapsack into classrooms or the cafeteria.**

### **Care of School Supplies**

Students are responsible for the proper care of books and supplies provided by the school. When books or supplies are lost or damaged students will be expected to replace the article or reimburse the school for the cost. Failure to do so may result in report cards, timetables and/or registration privileges being withheld.

### **Lunch Periods**

**Grade 9** students are not allowed to leave the school grounds during lunch (or any other time, except where a parent has called in or given

written notice of an appointment, etc.) without written permission from their parent or guardian, addressed to the school Principal for each day that the student will be off-campus during lunch. Students in any other grade should not leave the school without parental approval and students are not to be situated on any area beyond the paved canal walkway (i.e. on the hill of the bank, on the water's edge, etc.). Eating is permitted only in the cafeteria. Students are asked to exhibit pride for our school and our environment. Food and drink purchased from vending machines are to be consumed in the cafeteria. Food in the hallways and in classrooms is strictly prohibited. The following areas are out of bounds to all students during the lunch period:

- Classrooms, unless assigned to lunch activities and supervised
- Playing fields at the back of the school if Physical Education classes are in progress.
- St. Kevin School areas
- Physical Education locker rooms
- Automobiles
- Any area beyond the paved canal walkway (i.e. the hill/brow of the bank, the water's edge, etc. This will result in automatic suspension)

Please make use of the appropriate recycling containers. These are found throughout the school and grounds. Food baskets are provided in the cafeteria for those students who would like to donate non-perishable items from their lunches to help feed the needy in our community.

**Students who fail to meet these expectations may face school community service, detentions, and/or suspension.**

### **Homework Club / P3 (Pathways Preparation Program)**

The P3 program was created by the Niagara Catholic District School Board to assist the needs of students in Grades 7-12. Notre Dame has refined this program to support Grades 9 – 12. The after school help program provides direct assistance to students through teacher help and peer tutoring to ensure all students have the help and resources required to be successful.

Homework Club runs after school on Mondays to Thursdays from 2:30 p.m. to 4:30 p.m. Any student requiring extra help is invited to attend.

**Location:** Library (students are asked to listen for announcements)

## **Student Visitors**

Any student wishing to bring a visitor to the school for all or part of the school day must complete the appropriate requirements, which includes:

- written permission from the parent/guardian of both the ND student and the visiting student.
- written permission from the principal of the visiting student's home school
- a completed ND Visitor Form. This form, which is available from a Vice Principal, will confirm the approval of subject teachers and the administration. **The form must be completed at least three days prior to the date of the visit.**

At the discretion of the administration, the student's home school may be contacted. On the designated day the student visitor must obtain an Admit to Class slip from the Vice-Principal's Office and the visiting student must wear a Visitor Identification Badge at all times while at ND. If the above conditions are not met the visiting student will not be allowed to spend the day at Notre Dame.

## **Posting of Flyers**

The Education Act through Regulation 298 governs this activity. Students must obtain permission from the Board, through the school administration, before posting or making available to the student body any and all advertisements. The posting of flyers will be restricted to bulletin boards and display areas only. Flyers, which do not have approval, will be removed, and the student(s) responsible may be subject to school disciplinary action.

## **Lost and Found**

All textbooks and personal articles found within the school will be stored in the main office or photocopy room. Those students who have lost items may check there to see if they have been found. Please check with the staff from the main office for the times when you may search for your missing articles. Students are encouraged to put identification on all their possessions.

## **Parking**

The Parking Lot directly off of Smith Street (in front of the Main Entrance) is reserved for staff and visitors. Students are not to use their cars as lockers or to sit in their cars during the school day or play music loudly from their car radios. Student drivers must drive safely and cautiously in the student parking area respecting the 10 km/h speed limit. Parking privileges can be revoked at any time. The Administration reserves the right to revoke parking privileges for any abuse.

## Lockers

Lockers are issued to all students. Locks are owned by ND and are loaned to students. Non-issue locks will be cut off and removed. Replacement fee for lost, damaged or removed locks will be charged to the student (\$8). All students must use their lockers to secure their belongings (eg. cars cannot be used as a locker). Locks must be secured in the locked position when unattended. Students cannot change their locker assignment/location.

## 2021 – 2022 Notre Dame Students' Council

The members of the Students' Council are elected to represent the interests and concerns of the entire student body at Notre Dame College School. Students' Council organizes social activities for students, liaises with Administration and helps finance a number of projects. The Council is responsible for all school dances, including the Christmas Semi-Formal, the Annual Fundraising Drive, the Activities Awards Assembly, the Terry fox Run, the Grade Nine Orientation and Barbecue, and many other activities that enhance the life of the Notre Dame Community.

# **Alma Mater**

## **Notre Dame, Our Mother**

*Written by Joseph Casasanta and Rev. Charles O'Donnell, C.S.C. In 1930, the Alma Mater, "Notre Dame, Our Mother" debuted at halftime of the Notre Dame Stadium dedication game. The song was composed by band director Joseph Casasanta and the lyrics were written by University President Rev. Charles O'Donnell, C.S.C. . Today, the song is played at the conclusion of many campus events, including commencement, Mass at the Basilica, and of course, football games. Notre Dame College School is proud to carry on this tradition.*

***Notre Dame, our Mother  
Tender, strong and true  
Proudly in the heavens,  
Gleams thy gold and blue.  
Glory's mantle cloaks thee  
Golden is thy fame,  
And our hearts forever,  
Praise thee, Notre Dame.  
And our hearts forever,  
Love thee, Notre Dame.***

# SPECIALIST HIGH SKILLS MAJOR

EXPERIENCE YOUR  
FUTURE TODAY!

[Ontario.ca/SHSM](http://Ontario.ca/SHSM)

NIAGARA CATHOLIC  
DISTRICT SCHOOL BOARD

# WHAT IS AN SHSM?

The Specialist High Skills Major (SHSM) program, which is part of the Ministry of Education's Student Success initiative in the province of Ontario, has been introduced to offer province-wide specialized programs in specific ministry-identified sectors to support the success of all students. Ontario secondary schools are offering expanded programs to help meet students' individual learning styles and interests. These options include Dual Credits, Specialist High Skills Majors and Cooperative Education. These programs help to meet the needs, interests and strengths of all students, engaging them in learning and better preparing them for graduation and beyond.

Students who choose an SHSM designation learn through co-operative education and experiential learning placement within the community. Students who complete an SHSM designation can be confident when they leave high school that they are equipped with the knowledge, skills, and industry-recognized qualifications desired by employers and post-secondary institutions. Niagara Catholic is proud to be partnered with many local businesses and agencies within the Niagara Region to offer its students rich and diverse opportunities to gain practical experience and expertise in their chosen career fields.

## Core Components

- **Bundled Credits:** Each SHSM program offers students a bundle of 8-10 Grade 11 and Grade 12 credits. The credits include: 4 "major" credits in their area of interest, English and Mathematics, other elective courses in Science, Business or Social Sciences that are designed to complement the major courses, and at least 2 co-op courses related to their SHSM.
- **Sector-Recognized Certifications:** Related to the major and selected from a list, both generic and specific to support the sector (i.e. WHMIS, First Aid, Fall Arrest).
- **Experiential Learning Opportunities:** Which includes: Job-shadowing, job-twinning, work experience, cooperative education, field trips and other workplace experiences for students to explore careers related to that sector.
- **Reach Ahead Experiences:** In the field and sectors considered as a post-secondary destination, ranging from a few hours to full courses (e.g. Dual Credit program).

# WHAT IS AN SHSM?

## What advantages do SHSM students have?

- HEAR and SEE ...first-hand what a career in their sector feels and looks like
- NETWORK... with post-secondary institutions, local industries, and businesses
- GAIN... confidence in their ability to succeed
- COMPLETE... industry recognized certifications and training
- OPEN... doors for summer jobs and future employment
- EARN... a Red Seal designation on their OSSD

## What does the Red Seal mean?

- Employers and post-secondary institutions recognize that a student has participated in specialized, career focused programming.
- SHSM students receive an additional transcript outlining their accomplishments.

## Can I register to be a SHSM student even if I am doubtful that I will complete all the required components?

- Yes, if you are interested in a possible career related to a SHSM sector, you can register for that SHSM.
- Even if you do not complete all the components of the SHSM, you will still benefit from certification training, field trips and other learning experiences related to the SHSM. You will also receive a summary of all your completed SHSM components when you graduate.

## I am in grade 12. I have not taken some of the grade 11 courses specified in the SHSM pathway chart. Can I still get my SHSM designation?

- You will not get your SHSM designation until you have completed ALL the courses in the SHSM pathway chart both in grade 11 and grade 12. You can speak to your guidance counsellor for more information.

# WHAT IS AN SHSM?

## Can I return for an additional term and complete my SHSM after I graduate?

- Yes, you can complete your SHSM any time after you graduate.
- Upon completion of the required components, you will receive an official SHSM summary sheet showing that you completed the SHSM.

## I am a university-bound student who needs specific courses. How can I fit a co-op course in my timetable?

- You have several options: after school co-op, summer co-op, or you can take a grade 11 SHSM major course during grade 10. This will leave two credits open for co-op in grade 12.

## How are SHSM students at an advantage in their application to University?

- Many post-secondary applications to University have opportunities for supplemental applications. There are programs that traditionally require portfolios and/or interviews. Many of these are in the Arts which would be an advantage for the Arts and Culture SHSM. Some programs in Radio and Broadcasting, Communications, Journalism, Business and Architecture also require supplemental information.

## What if after starting the program the student decides this is not for them?

- All credits earned in an SHSM program count towards the completion of a standard OSSD.
- Any certifications or training gained will hold students in good standing for part-time jobs or work placements.
- Co-op is a valuable experience, allowing a student to discover what they like doing and just as importantly, what they don't like doing.

**Please see your school Guidance Department for more information.**

# TESTIMONIALS

## SHSM helps prepare me....

"...by doing good projects and showing me what can happen from mistakes."

- Zach, Horticulture and Landscaping

"...by putting me into a real art occupation with the co-op, and enhancing my learning and skills for my future education and career."

- Shane, Arts and Culture

"...for the real world by giving me the opportunity to do what I want in the future and learn the 'tricks of the trade'."

- Carson, Construction

"...by teaching me how to do real life applications within the Energy sector."

- Quinten, Energy

"...by allowing me to cover all the skills and classes that will assist me in following my career path in Horticulture. The program has given me a huge advantage that other students may not receive."

- Dacia, Horticulture and Landscaping

"...by giving me industry recognized certifications that will add to my resume."

- Leanne, Environment

"...because this program has given me a new outlook on the world of Business and I am happy to have been a part of the journey."

- Nicole, Business

"...for the real demand that I will encounter from customers in the industry."

- Angela, Transportation Technology

"...by teaching me hands on skills that I will definitely need when I get out of high school, and preparing me for the workplace."

- Jacob, Construction

# THE FOUR SHSM COMPONENTS

Benefits of SHSM for Notre Dame students:

- See firsthand what the major is all about
- Learn about career possibilities in the field- gain confidence
- Work with Brock University, Niagara College, local industry, unions and businesses
- Complete industry certifications for free- to add to your resume
- Open doors for summer jobs and future employment
- Earn a Red Seal designation on your high school diploma

See our school Student Services Department for more information or to register.

# SPECIALIST HIGH SKILLS MAJOR

# SPECIALIST HIGH SKILLS MAJOR

## Intent Form

A Specialist High Skills Major (SHSM) is a Ministry-approved specialized diploma designation. An SHSM allows students the opportunity to customize their high school experience to gain valuable skills and knowledge required in high demand sectors. Students will earn industry-standard certifications, receive job site opportunities and participate in Reach Ahead experiences, while meeting the requirements for an Ontario Secondary School Diploma.

SHSM is offered in all pathways: university, college, apprenticeship training, workplace and community living. **Notre Dame College School** offers SHSM in the sectors listed below. Please indicate your intentions.

### Student Information:

Name: \_\_\_\_\_, \_\_\_\_\_ Gender: M / F  
(last) (first)

School: **Notre Dame College School** Grade: \_\_\_\_\_

Student Email: \_\_\_\_\_  
(print clearly)

### Please indicate your intent to participate in a specified SHSM Designation:

(X)

# CREATING PATHWAYS TO SUCCESS:

*An Education and Career/Life Planning Program for Ontario Schools  
(Ministry of Education, Policy and Program Requirements, Kindergarten to Grade 12 - 2013)*

*Creating Pathways to Success* sets out the career development policy and program for Ontario schools from Kindergarten to Grade 12. The program is designed to help students achieve their personal goals and become competent, successful, and contributing members of society. This policy describes a whole-school approach that is delivered through classroom instruction linked to the curriculum and through broader school programs and activities- including experiential learning opportunities.

The planning framework introduced in the document focuses on students' self-discovery and self-knowledge and on their creative use of this knowledge in the exploration of opportunities and the planning of pathways for education, career, and life. **Creating Pathways to Success puts students at the center of their own learning, viewing them as the architects of their own lives.** Students are encouraged to discover who they are, explore opportunities, pursue their passions, and design personal pathways to success. They are encouraged to express their insights in individual ways and to keep track of what they discover about themselves and their interests, passions, and opportunities over time.
